5. Sr. No. 50275 :- The S.E., S.C. states that with a view to stop the influx of letters from Mr. D.G. Divekar, the S.E. has fixed the enquiry to be held on 4th Aug 1949. As the major part of Mr. Divekar's nasty career goes under the control of the present S.E., S.C., it is not so incorrect for the S.E., S.C. to hold the enquiry and—

and especially so when Govt. has accepted this principle in case of Mr. Naik. Mr. Divekar has lot of grievances against the present S.E., S.C. (if not against Mr. Divatia). However, as the enquiry might have perhaps been held by now (4th Aug 1949), & no action seems necessary on this point. However, the point is for orders.

JRB 4.8.49.

There is no objection if the S.E/S.C has held the enquiry. Mr. Divekar has never worked directly under the S.E/S.C as he did under Mr. A.L. Naik. If we have to take into consideration Mr Divekar's baseless and abusive statements, there would not be any end of this case.

'D' BRANCH"

Please see the P.W.D. letter to the S.E., S.C., No.9342/36-E (II), dated the 6.1.1949 and the proceedings underlying it. The original proposal was to make Mr. Divekar retire compulsorily under B.C.S.R. 165-A and the departmental enquiry was held with that object in view. The enquiry officer now recommends that Mr. Divekar should be dismissed from service. So far as P&SD can see, having regard to the original intention in holding the enquiry and also the fact from the several letters written by him and even the replies given by him in the course of the departmental enquiry Mr. Divekar seems to be slightly affected mentally, his compulsory retirement from service would seem to meet the requirements of the case. If approved, P&SD may suggest this to the P.W.D.

In case, however, he is to be dismissed from service a 'show cause notice' will have to be served on him and his reply obtained before he is actually dismissed.

EB(II). P.W.D.:-

The S.E., S.C. has reported that- Shri D.G. Divekar, retired clerk, has become a permanent nuisance to the SE's office. It has been stated that- Shri Divekar visits the office frequently and abuses the officers and Govt. servants. The SE. requests whether Shri Divekar can be interned in his native Taluka viz Vai (N. Satara).

2. The S.E. is fully authorised from prohibiting an objectionable character from entering the premises of his (S.E.'s) office. It is, therefore, not understood why the SE has not issued any warning to Shri Divekar that he is not to enter the premises on any account. It is felt that the step proposed to be taken is too extreme a step and cannot be enforced unless it is proved by documentary evidence that Shri Divekar is not worthy of reliance and his

presence is bound to disturb the administration of a particular area. It is therefore, for consideration whether the S.E. may be advised to warn Shri Divekar as proposed above. However, the P. and S.D. and the H.D. (Spl.) may be requested to advise whether any such steps as proposed by the S.E. can be taken in the present cases. see the papers for remarks.

Subject:- P.W.D.Rascalities.

Reference:- My letter dated 12-7-1949 addressed to Government and copy to you.

Sir,

Presumably the subject matter regarding preparation of a charge sheet against me was under consideration for more than a year, but nothing could be heard about it, till I received the charge sheet from you on 11-7-1949 through the Ex. Engr., Satara Dn. Probably Government must have compelled you to prepare such a charge sheet and you have done so.

2. As you are the controlling officer, I request you to make the following points clear :-

(1) Does Govt. take me to be a loafer or a Govt. servant?

(2) If latter, do they treat me as a paid Govt. servant, or an unpaid Govt. servant.?

(3) If former, are they aware that I receive neither pay nor leave salary?

(4) If the latter I request you to point out authori to treat me as unpaid servant?

(5) Will you please name the place, where it is proposed to hold a Departmental inquiry about me

(6) If at Belgaum, will you please make it clear whether T.A.expenses admissible under the rules will be allowed to me?

(7) Will Govt. make it clear why the condition regarding obtaining written apology from me was not imposed on me, when they issued the transfer order, long back in which case, I could have safely avoided incurring travelling expenditure from Belgaum Satara?

(8) Is Govt. under the impression that Govt. alone can prepare a charge sheet against Govt. servant and not vice versa?

(9) Is there any provision made in P.W.D. books givi protection only to Gazetted Officers even though they are found to be guilty?

(10) Does the P.W.D.Administration compel Govt. to dismiss a poor and lowpaid Govt. servant, on the clerical establishment even after recovery c considerable large amount, from him?

(11) Is it not a sin, to compel an honest and innocent man to give a written alology until and unless he is finally declared to be guilty?

(12) Was it not incumbant on the part of Govt. to make me clearly to understand that I would have to forego my pay from 25-5-49 in case no written apology was given by me?

[redacted] proposed Departmental

inquiry as early as possible but at the same time I would like to make it clear that until and unless, I receive reply to this application from you, I will not leave Satara and I will put in my claim for full pay from 25-5-49 B.N. to the last date of my leaving Satara.

3. Govetnment have gone astray and I am afraid they will compel me to deal with them properly under defamation Act and to file a civil suit at Government cost under sections 79 and 80 of the Civil prodedure code.

It is also likely that during the course of the enquiry, if one is held, he will have some complaints against me also as he has done in the correspondence. --------000----------

" This meeting of the Public Works Department staff of Belgaum P.W.D., has heard with shock the greatest calamity that could befall Mother India and prays to God to give our beloved Bapuji's soul eternal peace and Bliss. Sir,-

I acknowledge with thanks, receipt of the so - called charge sheet, which does not bear a single particl of truth therein and which has no moral Foundation, for its creation. On perusal of this charge sheet, I find that all the four charges enumerated therein, if - considered singly, are meaningless and I am not at all prepared to accept them singly. I do admit that I did use abusive language in my letters addressed so far to local authorities and Bombay Government, and this is the only charge which I do accept honestly. The S.E.E.C. and Bombay Government are mainly responsable for - lingering on matters, months together, without any - decision. Under these circumstances I do not find it necessary to prepare any written statement of defence contemplated in para 2 of S.E's letter referred to above

2. I do desire to be heard in person under the - presidentship of an honest and impartial P.W.D. Officer-- especially Raosaheb A.G.Naik, S.E.Karnatak Irrigation Circle, - preferable . The S.E.S.C. may therefore be requested to hold necessary departmental enquiry as early as possible, as I wish to bid Good Bye to the - Department instantaneously before I pass away from the world.

3. I enclose herewith a true copy of the resolution passed at the condolence meeting, on the demise of - MAHATMA GANDHI , for your information. I have always kept this resolution as well as the G.R. in connection with the holy oath of allegiance to the Dominion of India, in my mind, for my every day guidance. The - concluding portion of this solemn oath is so much - touching , that it insists on the pious mind of a pure and true Indian heart , the necessity of discharg- ing his every day duty, most loyally and to the entire satisfaction of his inner soul and the undersigned quite proud in saying that he has fully remained - obedient to the above said solemn oath , and acted in accordance with the implied motive therein and hence he welcomes joyfully any decision (to be arrived at the Departmental enquiry) favourable or unfavourable.

4. Man possessing some stuff in him is compelled to use stiff language, as occassion demands. This is the law of nature and I cannot be an exception to this rule. I will be able to bring to the notice of the inquiring officer how cruelly the following P.W.D. individuals have behaved with me:-

1. Major N.B.Gadre, the then S.E.S.C. Belgaum.
2. His Head Clerk Mr.K.P.Khasnis (now at Sholapur),
3. Mr. M.D.Vaidya Divl. Accountant Dharwar,
4. Mr. A.V.Pai, present H.C. to the S.E.S.C. Belgaum.

5. Govt. cannot withhold my pay from 25-5-49 and I will have to take all possible steps till I am paid my legitimate dues. Shame, on the part of the wicked officers who thought of sending me home on the plea of madness. Is Govt. aware that for months together, I was kept starving, and when, as a result of this treatment harsh language was used, a charge sheet is being

being ...
prepared against me. God alone knows how long India is destined to remain in such a state of deplorable condition ! In case, I am compelled to accept a hard hit, for the honest services rendered by me, throughout my life, I will have to furnish true copies of my correspondence to all the Ministers of different departments for their information and general awakening of the general public who will correctly feel the bitter pinch oozing out of the P.W.D. Rascalities.

6. I am proceeding on one month's leave from 15-7-49 before B.N. and I request Government to arrange to sanction leave applied for with effect from 25-5-49 B.N.

7. Early reply is requested to the following address.

With reference to your No. referred to above, I again make you clearly to understand that your office is simply killing time, and I strongly doubt whether your H.C. has cared to read the Rule No.55 under which you think you have framed charges.

Your para 1:- Copies of the correspondence in connection with Dharwar Cement case are required to enable me to prepare a regular charge sheet against your H.C. who can correctly be charged as an ABETTOR to Mr.Bagul, Deputy Engineer, in corruption. If you are not prepared to supply me copies of necessary correspondence, on this subject matter, I will force you to do so, through court. Beware officers concerned together with your H.C., will be fully shaved nicely at the time of hearing and your H.C will be made to wear a SARI and forced to pass his retired life, like a Husbandless's widow.

Sir,

I attended the Superintending Engineer, Southern Circle's Office on 4th August 1949 at 12.00 noon for giving replies to the enquiry officer's queries in connection with the charge sheet. The hearing affair was finished (I saw the watch), hardly within 50 to 55 minutes. After all, it was a regular dramatic farce, and the juggler was totally defeated. He could not, correctly fix up a single charge against me. The Superintending Engineer, Southern Circle committed a serious blunder in conducting the enquiry himself. Can you allow a charging officer to preside on such occasions? Mr. Divatia has paid little attention, in observing such ordinary rules which any man having common sense would never have done. Undoubtedly Judicature does not allow such unlawful actions to stand in the open court, and I charge Mr. Divatia in declaring that,

(1) he has misused his authoritative power
and
(2) he has knowingly set aside the condition of selecting a suitable president in conducting the enquiry;

(3) he has given protection to an undesired person (Mr. Pai, Head Clerk) and that I was not allowed to utter a single word against him.

2. Under these circumstances, I do wish to drag the Superintending Engineer, Southern Circle and his darling puppets (M/S. Bagul and Pai) to the open Court, holding them guilty under the following charges:

1. Defamation;
2. Torture (starvation etc.);
3. Deceiptful and unreliable conduct;
4. Corruption and
5. Abatement to corruption etc.

3. Mr. Hegade, Store Clerk, his wife and 3 children have been deprived of their poor bread - this fact alone can fully display the cruel and harsh mentality of the heartless officers issuing dismisal order !

4. Mr. Pai (Head Clerk to the Superintending Engineer, S.C.) is surely caught in a net and he cannot be let loose by any of his protectors.

Yours faithfully,

D. G. Divekar 16/8

THROUGH: the Superintending Engineer, Souther Circle, Belgaum.

Advance copy forwarded, with compliments, to the Secretary to Government, Public Works Department, Bombay.

Findings by the Inquiry Officer Mr. S.S.Diwatia, I.S.E., Superintending Engineer, Southern Circle, regarding writings and conduct of Mr. D.G. Divekar, Senior Accounts Clerk.

Read charge sheet dated 9th july 1949 served on Mr. D.G. Divekar, copy sent to Government under No.G-43 of 9-7-1949.

Read replies given by Mr. D.G. Divekar, personally to the Enquiry Officer on 4th August 1949 at the time of holding Departmental Inquiry.

Charge No. 1: He has been indulging in matters not pertaining to the work entrusted to him and to the detriment of his legitimate duties.

From his reply to charge No. 1 - para (4) it is clearly proved that he has been indulging in matters not pertaining to him. He may consider in his opinion to be a part of his duty, but from the trend of his writings it appears he took it personally as his own work and not Government duty - as admitted by him in para (1).

I find him guilty of the charge.

Charge No. 2: He has wilfully disobeyed the orders of the superiors.

He has admitted disobedience to charges (a) (b) & (c) of the summary - copy enclosed, and has given an irrelevant reason which has no bearing for disobeying orders of appearing before the Civil Surgeons for Medical Examination. However, he has definitely refused to appear before the Civil Surgeon Dharwar vide his letter dated 10-1-1949 - copy endorsed to Government under No. G-43 of 13-1-1949 and this clearly proves his disobedience.

He concludes that he obeyed the orders when Government actually compelled him. Such a person is not desirable when he has to be compelled to obey an order and as he has practically admitted the charge I find him guilty.

Regarding (d) of the summary, disobeying Government instructions regarding apology for abusive language and withdrawal of all charges before he was allowed to join duties at Satara vide Govt. Letter (P.W.D.) No.9342/36-E II, dated 13-5-1949, he is still refusing to comply with it and he thinks that simply abusive language used is not enough but he is liable to take even more cruel action, vide his reply to II(d).

I find that he is guilty to the charge.

Charge No. 3: His writings and conduct are uncourteous and offensive.

He has admitted the charge and so he is guilty. Such langugge can in no way be tolerated.

Charge

Charge No. 4: Wilful absence from duty after expiry of his leave from 31-10-48 to 5-11-48 and from 11-12-48 to 13-2-49 & from 24-5-49 A.N.

His argument is not correct. Mr. Diwekar was on leave without medical certificate and without previous and proper sanction of leave, which he should not have done as a Government servant, When he was compelled to appear before the Civil Surgeon under threat of disciplinary action, vide Government Letter No. 9342/36-E(I), dated 11th March 1949, he got a Medical Certificate when his past absence was treated as leave on medical certificate.

I find him guilty of the charge of absenting from duty without proper authority and permission.

EXTRA:

Charge of contempt of Enquiry Officer:

During his correspondence with the Enquiry Officer he (Mr. Divekar) described the letters received from the Enquiry Officer as " Rubbish " and made irrelavent replies. He has withdrawn the word " Rubbish "

ENQUIRY - ON CHARGE SHEET

against Mr.D.G.Divekar, Senior Accounts Clerk

by S.S.Divatia, I.S.E., Supdg:Engr:S.C.

4th August 1949.

12.00 Noon.

1) Sworn by Divekar.

2) Sworn by S.S.Divatia.

Charge No.1 : Replies by Divekar.

I have not been indulging in matters not pertaining to me. I can prove this by actual facts.

(1) Major Gadre after taking my help in respect of Dhupdal Irrigation case, used offensive language which is so irritating me to this day.

(2) I have made to so many Superintending Engineers personal requests to give me hearing, no one cared to pay heed to my request including S.S.Divatia and this indifferent behaviour of Officers towards me, I wish to bring to notice of higher authorities.

(3) Ratnagiri Case - M/S Sali & Ma-ha-jan's corruption cases. Applications were being addressed by me, but were not attended. These applications were made as it formed a part of my duty.

(4) Regarding 1st Charge - numerous applications, on subject matter which in my opinion form a part of duty, were being addressed by me, but without any reply.

I do confirm that I have never indulged in matters not pertaining to me.

Charge No.2 :

I did not like to appear before Civil Surgeon, Dharwar and Satara simply because I thought it my duty not to give any chance to outside officers to spoil the name of Department wherein I am earning my bread.

When Government actually compelled me, I had to obey their orders. Thus, Charge No.2 does not hold good.

(d) As I am never charged as a guilty person to the da-te of reporting my arrival to duty, viz. 24th May 1949 A.N. in Executive Engineer's Office at Satara, the question of giving apology does not arise at all. Hungry man when finds it quite -- difficult to quench his hunger is liable to accede to even ta-king more cruel actions than using simply abusive language.

Charge No.3...

Charge No.3 :

I do admit, I have used harsh language. This was due mainly to my starving state of health and -- naturally hungry man gets angry hundred times till he is fed. I being a worldly man, I cannot be an exception to this rule and Government has still kept me in starving condition.

Charge No.4 :

Period for which an Officer draws his emoluments can never be treated as absence from duty and I challange, I have never absented from duty for a single day without permission from my superiors.

Charge of contempt of enquiry Officer.

W hy you used word "Rubbish" to enquiry Officer's letter ?

I may be allowed to withdraw the word "Rubbish".

HIS EXCELLENCY
THE GOVERNOR OF BOMBAY?
B O M B A Y.

Subject:- P.W.D.Rascalities.

Reference:-My Telegram dated the 14-7-49 addressed from Satara.

Sir,

I have addressed you one post card, on 25th July 1949, from Belgaum, to serve as an expeditor to the above telegram. I was working as Senior Accounts Clerk in the Executive Engineer's Office at Dharwar. The Executive Engineer, Dharwar requested the Superintending Engineer, S.C. Belgaum, to transfer me from Dharwar Office, and the latter officer requested Bombay Government (P.W.D.) to transfer me, from Southern Circle. The Bombay Government accordingly issued my transfer order, transferring me to Satara, where I reported my arrival to duty ~~from~~ on 24-5-49 A.N.

2. I noticed one corruption case, in the Sub Divisional Office at Dharwar. One poor store clerk (Mr. Hegade) was dismissed after recovery of a large sum from his pay, on account of loss of cement bags. I know, who played the trick, and how this poor clerk was fully entangled. When I enquired into the matter, personally, I thought it my duty, to dig out the truth, and ultimately my handling this corruption case, led to my transfer, from Dharwar to Satara Office.

3. I have not received my pay from 25-5-49. When questioned, nobody is replying me. Will you kindly arrange to make necessary enquiry into the matter and be good enough to issue necessary orders, to the authorities concerned, to pay my legitimate dues ? If I receive no reply to this application within a week, I will be compelled to send an appeal to HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA DELHI .

4. Is this Gandhi Rajya , or Mughal tyranny ? I am bent upon giving wide publicity to the P.W.D. Rascalities, noticed by me, so far, in the Southern and Eastern Circles.

5. The aggrandizement of the P.W.D.Secretariat Officers, has reached its climax , and I (as in duty bound) must do my pious duty, having due regard to the holy oath of allegiance to the Dominion of India , in helping my clerical brotheren.

Yours Faithfully,

This clerk was solely held responsible for the loss of cement bags which were found to be missing and which appear to have been conveyed from Dharwar to Belgaum. I suspect one Deputy Engineer to be equally responsible for the above corruption and I request you, therefore, to be good enough to give me necessary help from both the Departments viz. Notice to the Governmentof Bombay, P.W.D.

In the recent Dharwar Cement Corruption Case, the Bombay Government issued very drastic orders, ordering dismissalof one poor store clerk, in the SubDivisional Office, even after recovering very large sum, from his pay, on account of the cost of missing cement bags. I, D.G. Divekar, working asa Senior Accounts Clerk, in the Executive Engineer's Office Dharwar, do hereby bring to the notice of the Government that, as in dutybound, I intend doing my utmost to help the poor dismissed store clerk, in re-instating him. Government have taken care, notto disclosem the name of the Officer, who is suspected to participate, in the above-said corruption case.

2. Government have withheld my pay, from 2565-49, without issuing the necessary suspension order. I referred the matter to His Excellency, the Governor of Bombay requesting him, permission to file a Civil Suit against Government, at Government cost, but no replyhas been received sofar. India finds no change in Government policy even after 15-8-1947, and the poor clerks are being harased as hithertofore.

3. I intend sending an appeal, to His Excellency, the Governor General of India. This step is inevitable as I find that the aggrandizement of the P.W.D. Officers has reached its climax, and if no suitable action is taken in time the sufferersw will be completely ruined.

Sir,

I, do hereby make you clearly to understand that I am not prepared to accept a single pie, as pension,until and unless the charge of mis-conduct is withdrawn forthwith, by you. I give you clear four day's notice, that in case, I receive no reply from you I will send a wire to His Excellency The Governor General of India, New Delhi and The Honourable Primo Minister (Pandit Jawahirlal Nehru), describing your atrocious actions.

2. The contents of para 2 of the above letter fully display the mean mentality of the bureaucrats now in power. Why did Government make all this TAMASHA (तमाशा) and fuss of transferring me to Satara? Was it not the clear intention of Government to record safely the Dharwar Cement Corruption case by transferring me to a place outside the Southern Circle ? Only one summons through proper channel would bring the guilty persons round and this step I will surely take, as I care more for my name and prestige than a few silver-coins. The mischievous and cut-throat Head Clerk to the Superintending Engineer, S.C.Belgaum(Mr. Pai) can try to hide his nudity and base actions by buttering his superiors but his days are being numbered and every attempt to make him stand in the open court, will be made by me.

Subject:- P.W.D. Rascalities.

Sir,

I D.G. Divekar, working as a Senior Accounts clerk, in the - Executive Engineer's office, (Roads & Buildings) Dharwar, beg to approach you with a request, That I may kindly be heard in person for finding up my genuine grievances. The Bombay Government, (P.W.D.) has forced me to retire from Government Service with effect from 27-9-49 F.N., charging me of mis-conduct. I have noticed one cement ~~corruption~~ case, in the Dharwar Executive Engineer's office. I know the ins & outs of this case. Government have held responsible one poor store-clerk for the loss of cement bags. The cost of (missing) cement bags -- viz. about Rs 800/- has been recovered from the above said clerk & he has finally been dismissed. I hold one Deputy Engineer, equally responsible in the above said corruption case, but Government do not want, to expose him or harm him. I enclose herewith a true copy of the resolution passed at the condolence meeting, on the demise of Mahatma Gandhi, held by the P.W.D. Belgaum, on 31st January 1948. I may draw your attention to the concluding portion thereof, specially

Undersigned by me, it may be brought to your kind notice that the big gazetted officers spoil the name & prestige of the Great man, like Mahatmaji by allowing the real culprits to escape unpunished, as has happened in the present case.

1. I worked in the Ex. Engineer's office at Dharwar only for 4 months and 22 days. But the Ex. Engineer has beautifully spoiled the whole career of my past (service of about 23 years in other Divisions) by making a false report to higher officers & ultimately constraining me to retire, for no fault of mine. In short, I have to say that the Clerical life in the above office, is in danger, & I am quite ready to expose the truth, in the above connection case. I do believe, your honour will be kind enough to allow me to be heard in person, so that you will be fully convinced how cruelly the clerical Establishment is being treated. The heartless officer, now in power, has actually kept me starving, wilfully effect from 25-5-49 upto date.

2. In conclusion, I request you to arrange to give me an interview in person or else allow me, to file a civil suit against Government, as Govt. code. I did apply to the Governor of Bombay, but I find, that his office has not cared even to acknowledge receipt of my application.

4. Early reply is solicited.

Yours faithfully

Sir,

By chance, I happened to be present at Nipnal, on 20th Dec. 1949, at the time of Foundation Laying Ceremony of the Nipnal Aqueduct and I got nice opportunity to hear you. I was satisfied with your speech which was exactly to the point and befitting, to the chair you occupy now. I wanted to see you then but I could not do so.

2. The Bombay Govt. (P.W.D.) has compelled me to retire with effect from 27-8-49 B.N. They have also made me suffer heavy monetary loss both by disallowing my pay from 25-5-49 to 26-8-49 and reduction in pension amount due to the fact that I was forced to retire before the due date. They have charged me of misconduct. I have, therefore, been forced to pay them in the same coin and I do wish to prove in the open court that the officers concerned are nothing but pure Wicked SAITANS. I have already sent an appeal to the Governor General of India, New Delhi. A notice to Bombay Government as required by para 80 of Civil Pro. Code is being issued by me to the Secretary, to the Government, P.W.D. Bombay as early as possible, and you will come to know the rascalities of these rascals. Dam their faces, who support corruption. I am quite ready to prove that it is a regular hell to serve under such rogues and I am more than a match for them.

Sir,

I hear that Mr. V.R.Deuskar, present Executive Engineer, Dharwar Division, has applied for 2 months leave. I feel happy in bringing to the special notice of Government that the Departmental Staff does appreciate highly Mr. Deuskar's services and ability in running the heavy Division (consisting of nine Sub-Divisions) quite ably and efficiently. Undoubtly Government gave very nice opportunity to this young officer to display his hidden merits and I am inclined to say that in some respects I found him superior even to Mr. A.G. Naik, (once Executive Engineer, Dharwar Division) both in the Administrative and common-sense points of view.

2. Under these circumstances it would be in the interest of Public Service, to allow Mr. Deuskar, to continue to hold Divisional Charge, (without reversion) and give him full scope to prove his ability to the entire satisfaction of his superiors.

" Delay is dangerous. Maharashtra will create another Godse No. 2. The P.W.D. Secretariat office, Bombay deserves to be set on fire. There is much difference in service which you render and I render for India.

2. You are a paid servant and I am unpaid servant. Not only this but Government have not paid even my proper dues when I was in service.

3. Similarly there is vast differance between the food ~~that~~ you eat and I eat.

4. You do not feel ~~ashamed~~ ashamed to retrench poor peons from Government ~~Service~~ Service. But I do intend to declare Satyagraha on behalf of Retrenched poor P.W.D. Peons.

3. To make you and your subordinates (1) Shankararao Joshi & (2) Sohoni), free from warmth slumber, I intend camping in Bombay, fully equipped with necessary accessories viz., (i) Neck-tie, to tie tight round your neck and (ii) Hunter to squeeze out blood and bones from your chubby body, to enable poor public to know that your excellency has become simply a big burden to India's poor purse, so that you may take the earliest opportunity to vacate your chair.

4. A report regarding the expenditure, incurred on account of P.W. D. Minister's Tour, by the P.W.D. Reception Committee, is being sent to Government sepatately.

Dear Jogalekar,

One Shri D. G. Divekar clerk who was made to retire prematurely on account of misconduct vide Confidential G.L. (P.W.D.) No 9942/36-II-E (II) dated the 23rd August ~~1947~~ 1949 has become a regular nuisance to the P.W.D. offices in this Circle. It is not possible to prevent him from entering offices unless force is used which do

most desirable. But when he does / only his offices he makes a nuisance of himself as he begins to abuse everybody including Govt Officers, Hon'ble Ministers and Govt. He also addresses foul and offensive letters to various offices. I believe the P.M.O. Secretariat must be receiving some such letters.

2. I cannot say how far this ~~activities~~ actions are due to want of mental balance and how far due to an evil bent of mind.

3. In any case I think that something must be done to stop his nuisance quickly.

4 Perhaps it may be possible to have him interned in his native taluka of Wai (N. Satara District). Can you please consider and see what would be the right and effective way to handle his case?

5. I am not in favour of letting him loose like this.

Yours sincerely
